1. Locker rooms and back stage changing rooms are provided for the use of physical education students, athletes, and other activity groups and individuals authorized by the building principal or by District policy. No one will be permitted to enter into these rooms or remain in these rooms to interview or seek information from an individual at any time. Such interviews may take place outside of these rooms consistent with applicable District policies and/or school rules.

2. No cameras, video recorders or other devices that can be used to record or transfer images may be used in the locker rooms or back stage changing rooms at any time.

3. No person may use a cell phone to capture, record or transfer a representation of a nude or partially nude person in the locker room or back stage changing rooms, or to take any other photo or video image of a person in these rooms.

4. Students and staff violating this policy shall be subject to school disciplinary action and possible legal referral, if applicable. Other persons violating this policy may be subject to penalties outlined in State law. The building principal or his/her designee shall be responsible for enforcing this policy.

This policy shall be publicized annually and posted in each locker room and back stage changing room in the District.
