

Committed to Excellence in Education

Respectful, Responsible, Safe & Prepared

Vision: Committed to Excellence in Education

Mission: The mission of the School District of Waupaca is to develop our students' capabilities and confidence to achieve their dreams and make the world a better place. The District will provide a safe, compassionate environment while using community resources wisely.

Why Waupaca?

Waupaca Schools are a community cornerstone—we work together so that students experience their world as both learners and as leaders. From our youngest students to those ready to take on the world, Waupaca Comets are given opportunities to be the best that they can be. From leadership opportunities to arts and music education, from career exploration to civic-mindedness, the Waupaca student is encouraged to develop their interests as well as pursue their academics.

When other districts have cut funding for subjects other than science, math and English, Waupaca has continued robust programming in:

- Music Education
- Art Education
- Technical Education
- Family and Consumer Education
- Physical Education
- Agricultural Education
- Library Media Specialists at each school
- Technology Integration Specialists at each school

#WaupacaWay2K30

In 2017, the Waupaca community joined to plan for the future. Business and civic leaders, parents and students, teachers and community service providers worked together to create a mission, vision, and six priorities to help shape the educational opportunities available for the Class of 2030.

Waupaca Works!

Waupaca Works is the district-wide Academic and Career Planning program. The School District works with Community Businesses to help students understand their best academic and career options. Individual students work to meet their specific needs for their interests. The program begins in early grades and expands when students reach high school.

Comet Field, Waupaca's state-of-the-art athletic facility, was completed for the 2017 fall season. This \$2.3 million stadium offers football, soccer and track athletes synthetic turf and a resurfaced track, and fans will enjoy expanded seating and new facilities for concessions and restrooms.

Some of Our Success Stories

- Students at the Chain O'Lakes Elementary use hydroponics to grow greens for lunch.
- Waupaca Learning Center works with Oshkosh's Experimental Aircraft Association (EAA) to teach students about the principles of flight.
- Both Waupaca Middle and Waupaca High offer musical productions with live instrumental accompaniment each year.
- WMS band and choir perform at the State Capital every year.
- Waupaca High School offers Advanced Placement courses and course credit through UW-Oshkosh's Cooperative Academic Partnership Program.
- WHS offers a construction class that allows students to build a house from the ground up.
- WHS automotive students have been able to rebuild a classic Camaro, thanks to opportunities created by the Waupaca community.
- Waupaca High School's FFA chapter is number one in Wisconsin, and one of the top ten in the country.
- The Waupaca Way, the District's Positive Behavioral Intervention and Supports program, has been adopted by community partners to help all young people in Waupaca to be Responsible, Respectful, Safe, and Prepared.
- Waupaca supports the educational dreams of its students. In 2017, nearly \$275,000 in local scholarships was awarded to Waupaca High School graduates.
