Board Member School Visit Schedule 2023-24

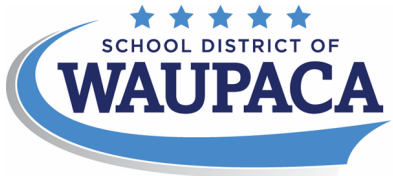

[Policy 0176 School Visits By Board Members](#) - This policy outlines the philosophy and implementation expectations for school visits by board members.

School visits are important for board members to keep in touch with the teaching and learning strategies of the District. Each school visit should have a known purpose, which can include: learning about specific teaching and learning strategies; observing curriculum, instruction, or assessment practices; observing certain professional development activities; attending a special event or recognition.

The following organized schedule with members rotating between buildings, will be followed. Please contact that building principal to schedule your visit so that school staff are prepared.

		Sept	Oct	Nov		Jan	Feb	Mar	Apr
1	Dale Feldt	WLC	ALT/ LIVE	4K		WLC	WMS	WHS	CEC
2	Steve Klismet	CEC	WLC	WHS		WMS	WLC	ALT/ LIVE	4K
3	Betty Manion	WMS	CEC	WLC		4K	ALT/ LIVE	WLC	WHS
4	Ron Brooks	ALT/ LIVE	WHS	CEC		WLC	4K	WMS	WLC
5	Molly McDonald	WHS	WLC	ALT/ LIVE		CEC	WLC	4K	WMS
6	Lori Chesnut	4K	WMS	WLC		ALT/ LIVE	WHS	CEC	WLC
7	Bob Adams	WLC	4K	WMS		WHS	CEC	WLC	ALT/ LIVE

School visits should be viewed as opportunities for board members to see teaching and learning in action - enjoy soaking up the “how” of the policies (what) enacted by the board. While we understand that we are always being evaluated, school visits are informational gathering, not evaluatory. Should a school board member want more information regarding something observed during a school visit, please talk with the superintendent who will review the request in light of the board monitoring schedule and work with the board member to satisfy their request.

Respectful, Responsible, Safe & Prepared
