SERIES 100 BOARD OF EDUCATION

CODE: 151.1

POLICY REVIEW AND EVALUATION

The Board of Education realizes that conditions constantly change which requires the continual review of Board policy. In order that all Board members have an opportunity to obtain all facts on a policy before approval, it is important that a period of time be allowed each member to review all facets of the policy.

Any proposed new or revised policy must be presented to Board members at least 72 hours in advance of any meeting where approval is requested. If the proposed policy is not approved as presented, the Administration shall incorporate any suggested revisions and present the revised policy to the Board of Education to be considered at a future meeting.

The Board of Education authorizes the District Administration to notify all employees of changes in policy or to notify all employees of new policies developed by posting such changes or additions in each building.
