BOARD MEMBER DEVELOPMENT OPPORTUNITIES

The Board believes that professional development for its members is vital in order for the Board to govern the School District in the most informed and prudent manner possible. Informed decision-making grows more important as school governance becomes increasingly complex.

In keeping with this position, the Board encourages the participation of its members at appropriate school board conferences, conventions, seminars, and workshops. The Board shall pay any attendance fee and shall reimburse attending board members for travel outside the district and other necessary expenses in accordance with expense reimbursement rates, district procedures, and as outlined in Governance Policy I.J. The District shall pay no expenses for the spouse of any board member.

The Board correspondent (or District Administrator) shall report monthly on upcoming professional development opportunities for Board Members. The Board shall select representatives to these sessions from among its membership. The members selected shall report to the Board and/or appropriate committee on the session(s) attended and shall share information, materials, and recommendations acquired by attending the session.
