SERIES 300 INSTRUCTION

CODE: 342.7

COOPERATING AGENCIES

The Cooperative Education Service Agency is designed to provide local school districts with certain services that local school district may not be able to provide on a full-time basis. Often these services are on a shared-cost basis with other school districts. The Waupaca Board of Education authorizes its District Administrator to recommend participation in certain programs or to recommend termination of programs when participation is no longer felt advisable.
