SERIES 300 INSTRUCTION

CODE: 376

INTRAMURALS

Intramural programs offer students the opportunity to participate in an organized activity in an atmosphere less competitive than interscholastic competition.

For reasons of safety and education, it is important to maintain a ratio of participants per coach that provide for adequate instruction and supervision.

Coaches added because of increased participation shall be reimbursed at the end of the season on a weekly pro-rated basis for those weeks in which the number of participants exceeded the ratio prescribed in Board policy.
