

BOARD POLICY TYPE: GOVERNANCE PROCESS

POLICY TITLE: GOVERNANCE COMMITMENT

The Board of Education of the School District of Waupaca will always act in the best interest of the District and the community as a whole. The Board seeks to fulfill its stewardship role on behalf of the greater community.

In its governance the Board is committed to the District's Mission (as stated in ENDS Policy IV.A.). Its values will guide development of Board policies and all governance practices of the Board.

The Board will govern the School District of Waupaca in accordance with its established policies and the constitutions and laws of the United States of America and the State of Wisconsin.
