SECRET STAFF

Read the clues to figure out our secret staff of the month. Then turn in your guess to the office for Comet Cash!!

This teacher has been at WLC for 3 years but worked for 5 years at another school before coming to WLC.

This teacher works with many grades but mostly fourth grade.

This teacher has a room but is in many other rooms also.

The last name of this teacher sounds different than it looks.

Your Name

Your Guess

Cut out this corner and bring to the office

Principal's News

Welcome to another school year at WLC. We will continue to promote our PBIS program, as we continue to teach the students the Waupaca Way. You can get involved at school by volunteering in classrooms and teaching the Waupaca Way at home. If you are looking to get directly involved with the Waupaca Way and programs at our school, the Parent-Teacher Group (PTG) is perfect for you.

4K/EC News

This month we are learning routines and getting to know each other. Students are learning to be respectful, responsible, safe, and prepared the Waupaca Way.

Remember to use the agenda book as a tool to communicate with the teachers. They check it every day!

1st Grade

Routines and procedures for first grade are top on the list right now. We are focused on the Waupaca Way and working together.

Addition and patterns are helping us learn our number sense and we are focusing on short vowel sounds in reading. Keep practicing by reading together at home.

3rd Grade

Our focus has been on the Waupaca Way, rules, and procedures for third grade! Students are doing a nice job in the halls!

Multiplication and cursive are the first big topics we cover that are new to our students. They can practice with flashcards at home or even show you some fun card games to help them!

PTG

The first Parent Teacher Group meeting of the school year is this Thursday, September 15th at 6:15pm in the Commons. Childcare will be provided. Meetings are on the 3rd Thursday of the month. Please join us-we need parents to help on our board and with upcoming events! Our big fundraiser for the year is the Walkathon. Information will be sent home with your child soon.

PBIS News

At the end of the last school year, WLC received the "School of Distinction" award for our Positive Behavior Interventions and Supports. Students and staff have worked diligently to help all students meet the expectations of the Waupaca Way.

TIP OF THE MONTH: Using kind words.

Whether at home or at school, we can help students use kind words like please and thank you to show respect and kindness to others.

Kindergarten

We are celebrating our colors. Students wear a different color each day. We are also learning numbers, letters, and working on the calendar.

We are using our skills in the Waupaca Way to get to know all of our new friends in Kindergarten!

2nd Grade

Line and Body Basics are the focus for second grade to help us follow the Waupaca Way.

Currently, we are learning about rocks and minerals. We will also be discussing American symbols as we prepare for the upcoming Presidential election.

4th Grade

Fourth graders will be attending CWES this month. Look for notes from your child's teacher for dates and info.

Coming soon...we will have a guest speaker from the Historical Society/Hutchinson House at WLC and some classes might get a to take a tour of the facility!
