

# **BOARD POLICY TYPE: ENDS**

## **Policy Title: Citizenship**

---

Students will be contributing citizens.

They will:

1. Practice the shared community values of honesty, respect, responsibility, compassion, and self-discipline.
2. Volunteer time and talents.
3. Utilize critical thinking and content knowledge to identify, understand and appreciate the significance of commonalities and differences among cultures and individuals.
4. Understand and value their rights and responsibilities as citizens, and the roles and expectations of U.S. citizens in the global community.
