

## AP vs. CAPP

Waupaca High School offers an array of opportunities for students to take advanced coursework and potentially earn college credit. Two of these exciting opportunities include AP (Advanced Placement) and CAPP (Cooperative Academic Partnership Program). Because of the similarities in name, AP and CAPP opportunities are often confused. The table below outlines key differences between the two and contains contact information if you/your child has questions.

## Advanced Course Options

At Waupaca High School, our mission is to “develop our students' capabilities to achieve their dreams and make the world a better place...” In order for us to achieve this mission, we strive to connect student's specific academic, career, and personal needs with our robust offering of educational opportunities. With every student, we work to create a graduation plan of study that best prepares them to succeed in their post high school graduation goal. Creating a graduation plan, which is also referred to as an Academic and Career Plan (ACP), requires the careful alignment of graduation requirements and career related courses. Because many career related courses provide students with the opportunity to earn college credit or industry recognized certifications, there are costs associated with most of these advanced courses.

The purpose of this document is to inform students and families of the advanced course options and any associated costs that your student has selected for the upcoming school year. The next section of this document is a summary of the courses your student has signed up to take and any associated costs. Explanation of courses and programs begin on page 2. If you have any questions about these courses and/or their costs, please contact your student's counselor: Bill Storck (last names A-L) or Jeff Dolski (last names M-Z) at 258-4131.

## Advanced Course Options

To assist students and families with understanding advanced course options and their associated costs, the remainder of this document is broken down into the following sections:

- Courses Offered at Waupaca High School
- Courses Not Offered at Waupaca High School

### **COURSES OFFERED at WAUPACA HIGH SCHOOL**

Page 3 of the WHS Course Offerings Catalog (found on the WHS webpage/Student Services/Scheduling/Course Catalog & Flow Charts) lists current AP, CAPP, and Dual Credit courses offered at Waupaca High School. While this comprehensive list meets the needs of most students, this is not an exhaustive list of every advanced course option available to our students. Based on a student's Academic and Career Plan, other advanced course options may be available. Students must work with their counselor on enrolling in the most appropriate courses.

- **AP Courses:** AP, or Advanced Placement courses are offered in a variety of departments at WHS, excluding our English/Language Arts department (because we offer CAAP ELA courses).
  - There is no fee for a student to participate in an AP course, but students must pay to take the AP exam if they desire to earn college credit. While taking the AP exam is not required, we strongly encourage all students enrolled in an AP course to take the exam. Students who pass the AP exam earn college credit. Please see the [AP vs. CAPP document](#) for more information.
  - Students who qualify for free/reduced lunch **and** fill out the additional fee waiver request form pay \$0.00 for the exam and are only responsible for late fees or cancellation fees.

- Final grades will be provided by the course instructor and will be factored into the student's G.P.A.
- **CAPP Courses:** CAPP, or Cooperative Academic Partnership Program courses, are offered in our English/Language Arts department.
  - While a student may participate in a CAPP course for high school credit only, those who enroll in UW-Oshkosh through the CAPP program will also be eligible to earn college credit. The cost for CAPP course credits is set by UW-Oshkosh annually; a portion of this fee is paid by the school district, while the student/family is responsible for rest and any additional costs (i.e., textbooks). Please see the [AP vs. CAPP document](#) for more information.
  - Students who qualify for free/reduced lunch **and** fill out the additional fee waiver request form are eligible for a reduction in their course fee and are responsible for late fees or cancellation fees.
  - Final grades will be provided by the course instructor and will be factored into the student's G.P.A.
- **Dual Credit Courses:** Dual Credit courses provide students with the opportunity to earn technical college credits in a variety of departments at WHS.
  - The WHS Course Offerings Catalog provides course specific information regarding each dual credit course.
  - Most Dual Credit courses are free for WHS students.
  - Final grades will be provided by the course instructor and will be factored into the student's G.P.A.
- **Online Learning:** The School District of Waupaca partners with the Rural Virtual Academy to provide students with online learning opportunities in a variety of content areas.
  - To learn more about online learning options, students should review the Online Learning section of the WHS Course Offerings Catalog and speak with their counselor.
  - Final grades will be provided by the course instructor and will be factored into the student's G.P.A., with the exception of OdysseyWare courses which will be graded on a Pass/Fail option (Pass/Fail courses do not impact a student's G.P.A.).

### **COURSES NOT OFFERED at WAUPACA HIGH SCHOOL**

While we strive to connect student's specific academic, career, and personal needs with our robust offering of courses offered at Waupaca High School, we also know that to best meet the after high school plans of every student, we sometimes need to partner with colleges and universities. When matching students' Academic and Career Plans (ACP) with our course offerings, we sometimes recommend students participate in college or university level courses at nearby college or university campuses. Depending on the student's ACP, we may recommend students participate in the Early College Credit Program (participation at a University of WI System institution, e.g., UW - Stevens Point) or the Start College Now program (participation at a WI Technical College, e.g., FVTC). Successful participation in

- Course participation fees for Early College Credit or Start College Now courses are generally paid for by the School District of Waupaca. For more information about these programs, please refer to the Early College Credit/Start College Now section of the WHS Course Offerings Catalog and speak with a counselor.

## Early College Credit Program (ECCP) and Start College Now (SCN)

Meeting the Academic and Career Planning needs of all students sometimes requires that students be enrolled simultaneously in both high school and college or university courses to earn both high school and college credit. Such programs make college more affordable for families and introduce students to higher level coursework before they immerse themselves in college life. For a detailed understanding of these programs, please review the [Early College Credit Program](#) and [Start College Now](#) webpages. Additional information can also be found within the School District of Waupaca Board of education policies:

## **Online Learning Options**

### **ONLINE LEARNING OVERVIEW**

Online instruction is a means to enhance or expand current course offerings and to provide an educational alternative better suited to individual learning needs. Online learning generally occurs through either synchronous or asynchronous learning. Synchronous online learning refers to students and instructors gathering at the same time and place (virtual or physical) and interacting in “real-time.” Asynchronous learning refers to students accessing materials at their own pace and interacting with each other over longer periods. **Either type of online learning requires students to be self-motivated and highly organized.**

Currently, our district partners with the Rural Virtual Academy (RVA) to provide students with online course options. In circumstances where a student’s ACP course options can not be met with District or RVA course options, the District may partner with other online educational options; this will require prior approval from the Building Principal. Student participation in online courses is limited to two courses/semester and must be directly related to the student’s Academic and Career Plan (ACP). Exceptions to the limit of two courses/semester may be considered for students identified as At-Risk, or as approved by Building Administration. Online course participation is not intended to resolve schedule conflicts within a school building.

All RVA online courses are designed to be completed within a semester, or within 4 months from the date of enrollment. Students can expect to spend as many hours completing an online course as they would completing a course in a traditional setting. If applicable, time will be provided to students by assigning an additional study hall to allow for online course participation and completion. However, just as with traditional classes, work may need to be completed outside of school hours.

Attendance in online courses is performance based. It is measured not only by logging into the course but by successful submission of completed assignments, participation in course activities such as discussion, and communication with the online instructor.

Students must complete the course in the allotted time frame/semester, beginning with the online course orientation. Students will only be awarded 0.5 credit for each online course they successfully complete. Grading for RVA courses is based on the RVA grading scale found in the RVA Student Handbook. While regular progress checks will be made by the Learning Center Coordinator and/or RVA Coach and communicated to the student, parent/guardian, and Counselor, students will not receive mid-term or quarterly grades; only final semester grades.

### **ONLINE COURSE SUPPORTS**

Students taking online courses through the RVA will be provided with a Coach/WHS RVA Coordinator and/or Teacher (who may be a Waupaca staff member or a RVA staff member), and access to the Learning Center provided by Waupaca School District. The Coach/WHS RVA Coordinator may also be a liaison between the student and the online course instructor if problems arise. The District will make every reasonable effort to ensure student success with online courses.

### **ONLINE LEARNING COURSE REGISTRATION & TIMELINES**

Students who wish to take an online class must be in good academic standings and must follow traditional course registration timelines. Students interested in participating in an online course must work directly with school counselors to ensure alignment between requesting courses and students' Academic and Career Plan. School Counselors and/or WHS RVA Coordinator will register the students for approved online courses.

Students will be offered the opportunity to enroll in two(2) online courses per semester. Students must commit to completing any online course taken within the agreed time period, as noted on page 3 of this document.

Students participating in RVA courses have 14 days from the start date of a course to determine if they will be successful in the online course environment. Students may also be pulled within the first 14 days of starting a course if they fail to show adequate progress as determined by the School District of Waupaca RVA Coordinator, Waupaca School Counselor, and/or RVA Teachers. Students who drop, fail to complete, discontinue or fail online courses may jeopardize their continued enrollment in online education opportunities.

### **ONLINE LEARNING COSTS**

The District shall pay the costs associated with student's enrollment in approved online courses if the course is taken for high school credit or if the course is not comparable to a course offered in the District.

The District shall require the student or parent/guardian to reimburse the District for all amounts paid for the course on the student's behalf if:

- A student drops or does not continue a course after the 25th day of starting a course
- Receives a failing grade in the online course
- Fails to complete the course within the specified timeline

If reimbursement is not made upon request, the student is ineligible for any further participation in online courses.

If you have any questions about online learning options, please contact your student's counselor: Bill Stork (last names A-L) or Jeff Dolski (last names M-Z) at 258-4131.
