

STUDENT PARKING

Students need to enter WHS via entrance #1. Students need administrative approval to leave the building to go to their vehicles.

Students will park in the lot between the WHS entrance #1 and the athletic fields (parallel with Hwy 22)

- Students must have a valid drivers license.
- Student safety is of the utmost importance!! Students who are truant from school, allow other students to be truant from school by having access to their vehicle, driving too fast, endangering activities with a motor vehicle, incorrectly parking, or not purchasing a permit may result in a loss of parking privileges, citation, and/or parking suspension.
- Students may not park vehicles other than cars, trucks, scooters, motorcycles, UTV's without consent of WHS administration. (i.e.; tractors, trailers, boats, 4-wheelers, snowmobiles)
- Students are not allowed to loiter in vehicles in the parking lot.
- Vehicles may be subject to a search on district property.
- The designated student parking area is a privilege and the only area in which students may park. Parking in the staff parking lot, or other non-designated areas may result in a loss of parking privileges, and/or having the vehicle towed.
- Drivers are to use extreme caution when entering and leaving school grounds.
- Students who elect to drive to school are required to pay \$40.00 per year for a permit. (\$20.00 fee for a permit per semester for new drivers). Replacement of a lost permit will cost the student \$5.00.
- All students using the student parking lot are required to have a registered permit that may be obtained from the Main Office.

I have read and understand the student parking rules. Any violations could result in having my parking privileges suspended or removed.
