

Technology Summer Workers

The technology department is looking for summer technology workers. Student technology workers' responsibilities include general computer maintenance and setup not limited to: cleaning computers, relocating computers, setting up new computers, installing/uninstalling programs, updating operating systems, and generally getting computers and related equipment ready for the 2019/20 school year.

The rate of pay is \$10 per hour and the total number of hours to be worked will not exceed 838 hours. If interested please submit a cover letter and resume to Mrs. Makuski in the district office no later than May 28th.
