

February 2019

Dear Prospective 4K Family:

An exciting time in your life is soon to come, your student starting school! The School District of Waupaca welcomes you to our 4K program! This letter is to explain registration and orientation procedures.

Attendance in a four year old kindergarten program is not required by law; it is a choice for your family and an option offered by our district. W4K provides a curriculum that is focused on learning through play, social and emotional development, and building self-help skills. Our program meets four half days per week. Classes are held at school sites, daycares, and preschools in our community so that your child's day will be minimally interrupted and also convenient for you. The W4K program and transportation to and from are free public education, regardless of what site you attend. Students must be 4 years old on or before September 1st to attend. There are no exceptions to this policy.

If you would like your child to attend W4K, simply register online:

<https://www.waupaca.k12.wi.us/why-waupaca/enrollment-information.cfm>

Registration will open February 1st. If you are interested in having your child screened for language and learning development, please attend a child development day, as listed on the enclosed brochure. There is no preregistration required. But if you have questions about screening, please call Sarah Schemenauer, Early Childhood Specialist, at the Waupaca Learning Center 715-258-4141.

After you register online, you will be contacted regarding your site's Open House day to be held in Spring. At the Open House, you will hear more about the program, meet the teacher, and bring proof of age/immunization forms, etc.

We look forward to meeting you and your 4 year old. Please call Andrea Hansen, W4K Secretary, with any other questions at 715-258-4151.

Sincerely,

Rhonda Hare, W4K Principal
Maureen Markon, W4K Student Services Director
