STEP Worker

I am 62 years of age or older, receive Social Security, and have taxable property within the School District of Waupaca.

I understand that a maximum of 86 hours will be approved for the STEP position. I will complete an online background check (to comply with School District of Waupaca policy and procedure) after submission of this contract.

Upon successful completion of the background check, my application will be forwarded to the building principal best suited to match my areas of interest.

I understand that I may work more than 86 hours in a calendar year; however, any hours over 86 are considered volunteer and will not be compensated.
