## KINDERGARTEN NEWS:

In your child's planner you will find their report card. Please take their report card out of the envelope and look it over. You can keep their report card, but I need you to sign the envelope by 2nd quarter and return it back to school on Monday. If you have any questions or concerns please contact me. Thank you!

We have been having so much fun adding books to our classroom library! We have about 7 books already made. Our goal is to get 15 books made so each child can bring one home at the end of the year. Next week we will be publishing another class book based off of the book "The Mitten". Each student will have to illustrate a page and add a sentence. We will also be making a cover and title page for our book too!

We had another great week of homework!! I have really enjoyed listening to all the students read their homework and talk to them about the comprehension questions! Thank you so much for supporting your child's learning!
