Valentines Boxes

I know this is a little early but I wanted to give you a heads up so you have enough time to get ready for Valentines Day! We will be having our Friendship Party on Friday, February 14. I am asking each family to make their own Valentine/ Friendship box at home. This is a great activity for your family to be creative and work together! You can use shoe, cereal, food, or kleenex boxes and decorated them with Valentine colors and stickers. You could even turn them into something like an alien (see picture below)! Please make sure your child's name is visible somewhere on their box, along with a slot that is wide enough for cards to fit through. All Valentine boxes and cards will be due Wednesday, February 12. You can start to bring boxes and cards in whenever you are finished. All of our students names are in the side box. I am also looking for some help with our Valentines Party. If you have not helped out with a party yet and would like to bring in one of the following items please let me know. Thank you!

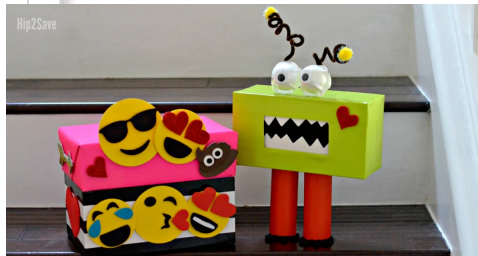

- sweet treat
- healthy treat
- juice
- cups

Ms. Draeger's Newsletter
