

Ms. Draeger's Newsletter

Halloween Party:

We will be having our Halloween Party on Thursday, October 31. Students are allowed to wear their costume to school; however, they need to be able to go outside for recess in it and move around school in it. Please remember they are not allowed to bring any pretend weapons or wear face paint to school. An idea would be to wear sweats/leggings and a sweatshirt/long sleeve shirt under their costume so they can take it off throughout the day if they want to. If you have any questions please feel free to write a note in your child's planner.

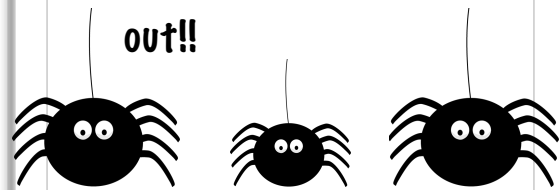

**** I am in need of some family help- if you are able to help out with our party by bringing in either a sweet treat, cheese and crackers, juice, or plates please let me know.**

THANK YOU!!

Science:

We have been learning about the life cycle of a pumpkin seed. Some key vocabulary words that we discussed were: seed, roots, sprout, vine, flower, and stem. They may even surprise you with some other fun words like ribs, rind, and tendril when describing their pumpkin from Turner's. We had so much FUN on our field trip to Turner's - thank you to all the parents that helped

out!!

Important Dates:

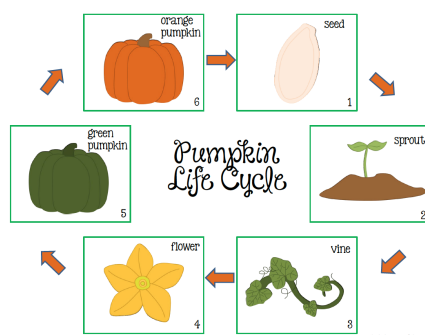

Oct. 31: Halloween/Fall Party
