### Friendly Reminders:

Our holiday program is on Tuesday, December 17 at 9:00 and 1:00. If you attend the 1:00 show you can stop down and pick up your child to take them home. I will have a sheet that you will need to sign to check your child out early. Also, please have all gifts turned in by Tuesday too. Remember these gifts can be small - its the idea of getting something from a friend that matters the most. If you need help or ideas for gifts please email or call me. Thursday we will be going to Park Vista Nursing Home to sing in the morning and we will have our Christmas Party in the afternoon. We are all set for snacks - thank you to everyone that volunteered to bring them in. Friday we will be having a special morning with our Kindergarten students watching a movie in our PJ's. Please see the note attached. It will be a busy but FUN last week before break!!

After the holiday break our homework will be changing. There will be a sheet that goes home **every night** that they will need to do. This activity will only take between 5-10 minutes. Your child is learning so much in Kindergarten and this is a great time to show you what we are doing in our room. Their faces light up when they are able to read an entire book all by themselves!! Please note this change so you are prepared to check homework folders every night. There will also be no homework next week due to our busy schedule.

Lastly, please make sure your child is dressed appropriately for recess. You may want to start putting in an extra pair of thick gloves because they do get pretty wet during our morning recess. Over break please clean out backpacks. Your child will be getting their 2nd folder that they brought in at open house when they get back from break too.

## Ms. Draeger's Newsletter
