

FOLLOW THE WAUPACA WAY

Language Arts:

This week our alpha friend was Reggie Rooster! We also added "be" and "will" to our sight word wall. I like to keep you updated with all of our sight words so when you are at home and your child needs something to work on you have a current list :)

Sight word list:

I, like, the, and, see, we, a, to, come, me, with, my, you, what, are, now, is, how, find, this, will, be

We have been working on discussing what the author's purpose is for writing the books that we read. Sometimes its to tell us facts and sometimes its just to use his/her imagination to tell us a fun story that goes with our theme.

Social Studies:

This week the students learned a lot of important facts about George Washington and Abraham Lincoln. We compared the two presidents and found out that they had some things in common. I told the students to go home and test you on what facts you know about these presidents!! Get ready because they know a lot!!

George Washington : 1st President, rode horse to school, was good in math but didn't like spelling, made maps, was a soldier and general, face is on money, and there is a monument that is dedicated to him.

Abraham Lincoln: 16th President, he lived in a log cabin, was tall, was a mail carrier and lawyer, wanted to free the slaves, face is on money, and there is a Lincoln Memorial.
