100th Day!!

We celebrated our 100th Day of school on Wednesday! We did a rotation with all of our Kindergarten friends celebrating the 100th day! Each classroom did an activity that went with the number 100. Some of the activities that they had fun doing were: a magic trick with money, race to 100 game, making a 100 day headband, finding 100 marshmallows around the room, building with 100 cups, and working as teams to put 100 piece puzzles together. Now that we have reached the 100th day your child should be able to count and write to 100. Please work on this with your child if he/she is unable to do this independently. This is something that is on their report card so you can check to see if they have mastered these skills.

Reminders:

Valentine boxes and cards are due next week on Wednesday, Feb. 12. Please make sure your child has their name visible on their Valentines box, and a slot for cards to fit through. Students names are posted on the left side of this newsletter. I have already had families volunteer for cups and a special treat. I am looking for two more families to volunteer to bring in a healthy treat and juice. If you have not helped out with any of our parties please consider bringing one of these items. You can let me know in your child's planner if you are able to help. Thank you so much!

Ms. Draeger's Newsletter

Important Dates:

Feb. 12: Valentine boxes/
cards due

Feb. 14: Valentine/Friendship
Party

Feb. 17: NO SCHOOL

March 9-13: Spring Break

You will notice on your child's sight word homework sheet we are adding more words. We are up to "find" and "this". Please continue to practice reading and spelling our sight words.

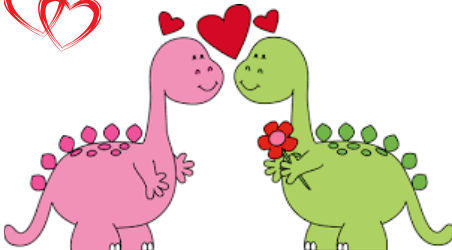

Next week:

Letter: Gg

Sight Words: find, this

**Theme: Valentines/
Friendship and Community
Helpers**
