BOOK ORDERS

Attached you will find Scholastic Book Order forms. I try to send out book orders at least once a month. I send these home because they have a great selection of books that are at your child's reading and comprehension level. One of the most important things that your child will be learning this year is how to read. We need to keep encouraging them to read both at home, and at school. Many of the books you find in these catalogs go along with our themes. Books also make GREAT Birthday and Christmas gifts :) Please look over the orders and if you are planning on purchasing any books fill out the order form on the back of EACH catalog and write your child's name at the top of each form. The orders are due back to me by Thursday, September 19. Please do not send cash and make all checks payable to Scholastic. If you have any questions please contact me.

Classroom News:

This week we took a look at the first 5 letters of the alphabet. The students were introduced to both the capital and lower case letters, along with its' sound. In large group we sorted pictures by "thumbs up" if they started with the letter we were learning about, or "thumbs down" if it didn't. Learning our letters is key to learning how to read and write. As we move through the alphabet please help your child identify their letters and sounds. Thank you!

Ms. Draeger's Newsletter
