## Walk - a- Thon News:

We are just one week away from our school wide Walk -a- Thon! We are excited for this fundraiser event at WLC and hope you are too! Pledge sheets went home a couple of weeks ago encouraging all families to participate. An envelope will be sent home next Friday to collect all of their pledges. Each child will also be receiving a free t-shirt to wear for this event. If you have any questions please contact me. Thank you

## Language Arts:

We have been working very hard on learning how to tell the difference between a letter, word, and sentence. This is helping us become readers!!! The students are so excited about being able to read the books that they make!! Please take the time to sit down with your child and have them read their books to you. We have talked about what good reading strategies are: pointing to each word as they read the sentence , and using their "eagle eyes" to look at pictures to help them read the words they do not know. When reading at home it is important to encourage your child to use these strategies too - it will also help them when we start to journal more. I am very proud of how far they have come already with their reading! Keep up the GREAT work :)
